# Hanlin's Iris Gardens

HUNTINGTON 2. WEST VIRGINIA 122 EIGHTH ALTIZER ADDITION

PRICE LIST 1960

MEMBER OF AMERICAN IRIS SOCIETY STATE INSPECTED STOCK

LIBRARYEN EN \* APR 1 81960 U. S. Department of Agri.

## **FOREWORD**

Last year I made mention, due to a change in public employment, I may no longer have time for Iris and Daylily growing and priced my plants quite low to close out as many as possible. However, my HOBBY of growing these pretty perennials will continue. The Iris Bug just kept right on biting me.

All orders of \$5.00 or more will be prepaid. On smaller orders, please add .50 cents for postage and packing.

Bonus plants are included in all orders and if permitted to substitute I can be more generous. Just include a nice list from which bonus plants and subs may be selected.

Blooming season usually begins about May 5th. The peak is about May 15 to 22nd. Gardens will be open to visitors then. A host or hostess will be on the premises from Monday through Friday, after 6 P. M. and all day on Saturdays and Sundays.

Shipping begins during June and continues late into Fall.

West Virginia residents are required to pay 2% State Sales Tax.

### JOIN THE AMERICAN IRIS SOCIETY

You will receive four valuable bulletins each year containing information on Iris culture, diseases, etc. Dues are \$5.00 per year. Mail check or money order to the American Iris Society, 2237 Tower Grove Blvd., St. Louis 10, Missouri.

# DAYLILIES (HEMEROCALIS)

No pests or diseases seem to bother them. They bloom year after year, even if neglected. But, the more care and water you give them the greater they will reward you. More bloom scapes are produced and the flowers are larger as each year passes. Many bloom twice a year and some more than that.

Shipments may be made most any time of the year. Of course the soil has to permit digging and planting during winter. All orders of \$4.00 are prepaid. Less size orders require 35 cents extra for postage and packing. They may be shipped with Iris orders.
